

Immunology, Autoimmunity and Inflammation. His pioneering laboratory and clinical research, together with his clinical practice and mentoring, has saved the lives of thousands of people throughout the world suffering from bone marrow failure syndromes, all while serving as a federal employee. During his federal service, Dr. Young has become the world's foremost expert in the difficult area of bone marrow failure, and the treatment protocols he developed for aplastic anemia are considered best practice. Currently, Dr. Young, who developed methods for testing for the B19 parvovirus, has a vaccine for the virus in clinical trials. He also has dedicated himself to training the next generation of hematology clinicians-researchers, and his students have gone on to lead departments throughout the world. We are particularly pleased and proud that a scientist with Dr. Young's accomplishments is a resident of our city, where his example will especially inspire the budding young scientists among our children.

At a time when many federal employees feel beleaguered, Dr. Young's award puts a face on the term "federal employee." Earlier this year, I introduced H. Res. 682, which expresses the sense of the House of Representatives in support of our outstanding federal employees, who are the best educated and most highly qualified broadly based workforce in the country. Dr. Young is a distinguished representative of federal employees at every level, who give their best to their work for the American people. The residents of the District of Columbia, many of whom also are federal employees, join me in congratulating Dr. Young, a distinguished D.C. resident who exemplifies our high quality federal employees and is now honored by our nation as one of our most remarkable scientists.

Mr. Speaker, I ask the House to join me in honoring Dr. Neal Young for his outstanding accomplishments in science and for his continuous commitment to public service.

RECOGNIZING CAPTAIN (RET.)  
THOMAS BOYCE FOR HIS 28  
YEARS OF SERVICE TO THE U.S.  
NAVY

**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 13, 2012*

Mr. CONNOLLY of Virginia. Mr. Speaker, I rise today to thank and commend Captain (Ret.) Thomas Boyce of Alexandria, Virginia for his 28 years of honorable service to the United States Navy and for his subsequent 30 of support to the Navy in the private sector. Captain Boyce's long career both in the Navy and in business speaks to his deep patriotism and commitment to protecting our nation. He is a veteran of the wars in both Korea and Vietnam, and his tremendous sacrifice and dedicated service to this country truly merit our highest praise.

CAPT Boyce graduated from the U.S. Naval Academy in 1951. After receiving his commission, he served in Korea aboard several minesweeping ships. From 1962 to 1964 he served aboard the USS Semmes, a ship for which he served on the commissioning team and helped oversee the construction. He credits the ship's command with instilling the esprit de corps

needed for the USS Semmes to become one of the most successful missile firing ships in the Navy. From 1964 to 1970, CAPT Boyce served under the Naval Surface Missile System Office while assigned shore duty. During the early 1970s, he served aboard the USS Niagara Falls, a fast combat logistics ship that replenished ports in Vietnam. CAPT Boyce finished his naval career in 1979 at the Naval Air Systems Command.

After retiring, CAPT Boyce began an equally long career working for a naval contractor applying his unique skill set to managing the building of twenty LMSR ships. Used extensively by the Navy, LMSRs have significantly expanded the Navy's sealift capabilities and have been integral to the missions in Iraq and Afghanistan. CAPT Boyce recently retired for a second time and is looking forward to spending time with his wife, Barbara, and continuing his work on the board of the USS Semmes DDG-18 Association.

Mr. Speaker, I ask that my colleagues rise to join me in recognizing and thanking Thomas Boyce for his committed and selfless service to our country.

IN RECOGNITION OF JOSE JOEL  
GARCIA

**HON. FORTNEY PETE STARK**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 13, 2012*

Mr. STARK. Mr. Speaker, I rise today to pay tribute to Jose Joel Garcia, who is retiring from his position as Chief Executive Officer of Tiburcio Vasquez Health Center, Inc., a multi-site and multi-service community health center in Southern Alameda County, California. Mr. Garcia has provided exemplary leadership to Tiburcio Vasquez Health Center since August 1992 and has expanded the organization to include a myriad of clinical and social services through multiple facilities.

Prior to his appointment as CEO of Tiburcio Vasquez, Mr. Garcia held academic appointments at UC Berkeley's Graduate School of Public Health and the Graduate School of Business at the University of Colorado. Between 1982 and 1993, he helped develop and direct a multidisciplinary bi-national graduate student exchange program known as the University of California-Universidad de Guadalajara "Intercambio Academico."

Mr. Garcia received his undergraduate degree in Political Science from the University of California, Santa Barbara and a law degree from the Boalt School of Law at the University of California, Berkeley. He is an active member of state and federal bars and has published research on health policy, law and administration in the United States and abroad. His professional and social justice contributions have advanced health access through the creation of a local, statewide and national nonprofit health care infrastructure and a focus on strengthening community-based self-governance at health centers.

In recognition of his contributions, Mr. Garcia has received numerous awards. He currently serves on the Executive Committee and the Board of Directors of the Primary Care Association, which he co-founded. He is a Board Member of the Alameda Health Consortium and Community Health Center network. His

past affiliations include directing Centro Legal de La Raza, co-founding the Berkeley Primary Access Clinic, and past Chairperson and Board Member of Eden Medical Center. He served for five years on the Board of Directors of the University of California, Berkeley Alumni Association.

I join Jose Joel Garcia's colleagues, friends and family in applauding his outstanding career in numerous arenas to benefit others. While he is stepping down from his CEO role at Tiburcio Vasquez Health Center, he will remain affiliated with the organization in some capacity. This is good news as Mr. Garcia has played a major role in shaping health care delivery in Alameda County. We will welcome his continuing leadership skills, talent, intellect, and experience.

#### PERSONAL EXPLANATION

**HON. MARTIN HEINRICH**

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 13, 2012*

Mr. HEINRICH. Mr. Speaker, on September 10, 2012, I unfortunately missed three votes, which included rollcall numbers 557, 558 and 559.

If I had been present, I would have voted "yes" on rollcall vote 557.

If I had been present, I would have voted "yes" on rollcall vote 558.

If I had been present, I would have voted "yes" on rollcall vote 559.

#### REAUTHORIZING CERTAIN VISA PROGRAMS

SPEECH OF

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 11, 2012*

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today in strong support of S. 3245, which reauthorizes the EB-5 Regional Center Program. S. 3245 is the type of commonsense legislation we need to put Americans back to work and rebuild our Nation's fragile economy. The EB-5 program, which creates jobs at no cost to taxpayers, has already created more than 25,000 jobs, and is projected to create more than 100,000 jobs per year once the program is fully implemented. With unemployment rates just above eight percent, we cannot afford to pass on this opportunity to innovate and invest in America.

It takes a coordinated effort by both government and the private sector to create jobs and rein in high unemployment rates. I am proud to report that the City of Dallas serves as a shining example that the E-B program works. Thanks to the collaborative efforts of Dallas Mayor Mike Rawlings and the Civitas Capital Group, the City of Dallas Regional Center has attracted more than \$120 million in capital from foreign investors, which has funded projects such as affordable assisted-living facilities and building renovation initiatives.

The Democratic Members of Congress have consistently demonstrated their commitment to creating job opportunities here at home. I am encouraged to see that my Republican colleagues have put partisan politics aside and
